### 0175 CONTRACTS WITH INDEPENDENT CONSULTANTS

The Board of Education may from time to time engage the services of one or more independent contractors to advise and assist the Board in analyzing school district operations and preparing Board reports when those tasks cannot be performed as economically by district staff members.

The Board will not contract with a Board member or the spouse, child, parent(s) or legal guardian(s), or sibling, in fact or in law, of a Board member as an independent consultant.

An independent consultant engaged by the Board is neither agent nor employee of the Board and may represent the Board only as expressly authorized to do so in writing.

Materials and reports generated and created by the independent consultant in the performance of his/her contract with the Board are and will remain the property of the Board and are subject to Board Policy No. 8310 on public records.
