4152 FREEZING OR REDUCING WAGES

The Board of Education recognizes that any advancement on a salary schedule, including annual increments and raises, is not automatic but rests within the discretion of the Board.

Advancement on any salary schedule shall require favorable reports covering the employee's competence and thoroughness in the performance of assigned duties as well as the employee's record of attendance and compliance with district regulations.

The School Business Administrator/Board Secretary and/or Assistant Superintendent of Schools shall base a recommendation for wage freeze or reduction on evaluations of the employee's performance and conduct. The School Business Administrator/Board Secretary must also show to the satisfaction of the Board that the standards by which an employee has been evaluated are not exceptional or unusual and are expected of all employees in a similar classification.
