SAFETY PATROL

M

5860 SAFETY PATROL

The Board believes that student safety patrols can contribute greatly to the development of good traffic habits and can provide opportunities for growth in leadership skills.

Therefore, each kindergarten through five Building Principal will develop procedures for the formation of safety patrols in his/her building.

These procedures shall include but not be limited to provision for:

A. Appointment of a faculty advisor to select, instruct and supervise members of the safety patrol;

B. Selecting for safety patrol members;

C. Informing safety patrol members and their parents/guardians of the purpose and activities of the patrol;

D. An outline of duties of safety patrol members.
