CHOICE OF VENDOR

6450 CHOICE OF VENDOR

The Board of Education wishes to maintain good working relations with vendors who supply materials and services to the school system. Constructive efforts by the administration to seek the advice and counsel of vendors about how to improve such relationships are encouraged.

Agents, canvassers, and vendors will be permitted in the schools only with the permission of the Superintendent or the School Business Administrator/Board Secretary. Parents or guardians of students who are also agents, canvassers, or vendors may not solicit business while they are in the schools unless given specific permission of Superintendent or the School Business Administrator/Board Secretary.

No agents, canvassers, or vendors will have access to teachers during their classes and will be seen at other times by appointment only.

Affirmative Action

All vendors will supply assurances that they do not practice discrimination as described in New Jersey law and administrative code.
