8110 ATTENDANCE AREAS

The Board of Education directs the assignment of pupils to the schools, programs, and classes in a manner that is consistent with the best interests of the pupils and the best uses of the resources of this district.

The Board shall determine the school attendance areas of the district to determine the assignment of pupils to school in accordance with Policy No. 5120.

To the extent that the Board of Education deems it be in the best interest of the district, students will be assigned to one building during the years in any given level, kindergarten through five.

The Superintendent shall annually review existing attendance areas and recommend to the Board such changes as may be justified by considerations of safe pupil transportation and travel; convenience of access to the schools; financial and administrative efficiency, the effectiveness of the instructional program, and a wholesome and educationally sound balance of pupil populations.
