8130 SCHOOL ORGANIZATION

The East Windsor Regional School District is organized into a multi-unit structure. The basic unit organizational pattern is kindergarten through grade five, grades six through eight, and grades nine through twelve. All grades kindergarten through the middle school grades of six through eight are classified as elementary. Grades nine through twelve are classified as secondary.

While the basic unit grade structure is as herein described, the Board may redistribute elementary units' grade levels to form units which meet particular school needs, enhance efficiency, or effect an economy of operation (e.g. a kindergarten through grade five unit, sixth grade unit, seventh and eighth grade unit, etc.). All such unit structure changes will be made only on formal action of the Board.
