9160 PUBLIC ATTENDANCE AT SCHOOL EVENTS

The Board of Education welcomes the attendance of members of the community at athletic and other public events held by the schools of the district and acknowledges its duty to maintain order and preserve the facilities of the district during the conduct of such events.

The Board may bar the attendance of any person at a school event whose conduct constitutes a disruption. The Board prohibits the possession and consumption of alcoholic beverages at any function sponsored by the district, and, further, prohibits wagering on school premises.

A schedule of fees for all school events shall be prepared by the Superintendent and adopted by the Board. Residents of the district sixty years of age or older may be admitted to certain school events at no or reduced fee. District personnel will be admitted without charge to all school events except interscholastic athletics.

The Board will honor athletic passes from all districts that are members of conferences in which teams of this district compete and that honor the passes of this district.
