COOPERATION WITH EDUCATIONAL AGENCIES

9500 COOPERATION WITH EDUCATIONAL AGENCIES

The Board believes that cooperation between the schools and other organizations concerned with youth, career development and mental health will enhance the opportunities of the district's pupils. Such cooperation will also enable the district to serve its pupils better through appropriate referrals as in drug/alcohol programs, special needs, etc. The Superintendent is encouraged to explore areas of mutual concern with the administrative officers of such organizations and to recommend desirable courses of action.

The Board directs the Superintendent to seek and maintain working relationships with local colleges and universities in such areas as student teaching, in-service staff development and advanced placement.

It is of particular importance to establish and maintain close working relations with trades, businesses and industries which are possible sources of career placements for our pupils.
